

## Southbound (From San Rafael)

Pass San Rafael, Anderson Ave/Richmond Bridge exit to the next Exit from 101 South at Richmond Bridge/Sir Francis Drake Blvd exit. Make left at bottom of hill (traffic light) and pass under highway. **Stay to the right and drive slowly**, there is a merge from your right from 101 North, **please be careful there, but stay to the right**. Right turn entrance is just 50 yards after merge from 101 (after passing a vacant storefront and a Kayak Outdoor Rental store) – the entrance is just before a blue and white sign for Equity Office – Wood Island Office Complex.

Make the right and proceed uphill to parking lot, drive to the middle right side toward far end where you will see a red phone booth in the center island.

Parking available for visitors in that area near arbor and red phone booth. Entrance is at the double doors with a large 80 on the entrance awning.
